MEMORANDUM FOR THE RECORD

SUBJECT:  Employee Agreement

1. Subject Employee Agreement constitutes exhibit G of the formal approval for . In reviewing its contents the following phrase was found in paragraph 6 entitled "Subsistence": "not less than \$10 per diem quarters furnished". This phrase does not reflect the actual negotiations on the per diem question. It was agreed that the per diem would suffer a reduction if quarters were furnished. Further, subsequent to the original negotiations, this was a matter of some discussion between JAC and KJ with the original negotiated principle being sustained.

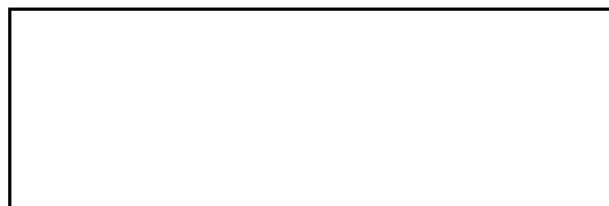

2. This date, called  in regard this discrepancy. He agreed that a 40% reduction in per diem was the intent and that he would appropriately amend the Employee Contract for each individual on his imminent trip . As an aside, he indicated that his LAC legal council had brought up the same point with him but that he swept their concern aside on the basis that "quarters furnished was Governmentese for "reduction in per diem for quarters furnished."
